This Agreement shall become effective upon acceptance and execution by BoatU.S. and shall remain in effect until November 30, 2002- 2001 ^{CO} ~~DD~~.

(b) This Agreement may be terminated by BoatU.S. by delivering written notice of proposed termination to Applicant in the event Applicant or any of its employees, agents, representatives or subcontractors breach Section I, Paragraphs 6, 7 or 12 of this Agreement. Such notice of proposed termination is subject to the review process of paragraph 8(d).

(c) In the event Applicant, its employees, agents, representatives or subcontractors breach any other material term of this Agreement, BoatU.S. shall provide written 15-day cure notice to Applicant of the breach of this Agreement:

- (i) Applicant may cure such breach within a 15-day period from the date it receives the notice; or
- (ii) if a cure cannot reasonably be achieved within such 15-day period, Applicant may commence the cure within this 15-day period and continue diligently to prosecute such cure to completion and to the satisfaction of BoatU.S. Notwithstanding the foregoing, in the event of a reoccurrence of the same material breach of this Agreement, the cure period above shall not apply and BoatU.S. may terminate this Agreement immediately upon written notice and subject to the termination review process of paragraph 8(e).

(d) Upon termination or expiration of this Agreement, Applicant shall immediately cease to use, and shall either return to BoatU.S. or destroy, and confirm to BoatU.S. such destruction, all materials in its possession which bear any trademark or service mark owned by BoatU.S. and must also return to BoatU.S. any and all items owned by BoatU.S., including, but not limited to, communications equipment and display materials. In addition, Applicant shall immediately cease to use TowBoatU.S. signage and graphics, and shall remove such signage and graphics from all its boats, vehicles and office(s). Following termination, expiration or non-renewal hereof, Applicant shall have no further right to use or to display in any manner any trademark or service mark owned by BoatU.S. nor to answer TowBoatU.S. or BoatU.S. calls, nor to direct bill BoatU.S. Following termination, expiration or non-renewal of this Agreement, BoatU.S. shall cease using Applicant's name, likeness or location in any new advertising, promotion, listing or other material and shall use its best efforts to remove such identifying material from its web site and from any updated literature or advertisements.

(e) Any TowBoatU.S. company which is delivered written notice of proposed Termination may within 20 days of such notice request a hearing by the Termination Review Board ("TRB"). The TRB shall consist of two elected TowBoatU.S. towing company owners and two BoatU.S. employees.

- (i) The TRB shall meet either telephonically or in person at BoatU.S. Headquarters or other mutually agreed-upon location, within 15 days of a request for a review, to hear the Applicant and BoatU.S.
- (ii) The two parties (Applicant and BoatU.S.) shall equally share the costs of transportation of Termination Review Board members to Alexandria, Virginia for an in-person hearing.
- (iii) The TRB shall review the evidence and any written submissions and render its written decision within ten days of the conclusion of the hearing.
- (iv) The company owner may appeal an adverse or split decision of the TRB within 10 days to the Chairman of BoatU.S., who will independently review the evidence and within ten days render a written decision setting forth the facts and conclusions upon which the decision is based.
- (v) In the event Applicant chooses not to use the TRB, Applicant agrees that BoatU.S. will be the sole judge of whether or not Applicant has complied with the terms of this Agreement.
- (vi) Nothing in this Agreement shall be construed to prevent either party from exercising its judicial remedies.

9. Independent Contractors: In performing under this Agreement, Applicant and BoatU.S. are acting as independent contractors and not as agents or partners of one another. Neither party shall hold itself out as the agent of the other or shall attempt to bind the other in any way to a third party.

10. Trademarks: (a) "BoatU.S." and "TowBoatU.S." are trademarks and service marks of BoatU.S. and BoatU.S. shall take appropriate measures at its own expense to protect its trademarks and service marks from unauthorized use. All trademarks and service marks owned by BoatU.S. shall remain the sole and exclusive property of BoatU.S. and all use of any such trademarks or service marks by Applicant hereunder shall inure to the sole

benefit of BoatU.S. BoatU.S. reserves the right to decide whether and when to apply for the registration of all such trademarks and service marks, and all such registrations shall be in the name of and for the sole benefit and account of BoatU.S. BoatU.S. shall bear the cost of such applications for registration. Applicant shall use the BoatU.S. trademarks and services marks in accordance with the terms of this Agreement only, and in such a manner as to best preserve BoatU.S. interest in such trademarks and service marks, and Applicant shall not acquire any right in any such trademark or service mark by any such use. Applicant may only delegate, transfer or assign rights to trade under the BoatU.S. or TowBoatU.S. names in accordance with subparagraph (c) hereof.

(b) With prior written approval from BoatU.S., Applicant may, during the term of this Agreement, register and use the name "TowBoatU.S. - location" as an assumed name, where the "location" is the port of Applicant, however, Applicant is expressly prohibited from using BoatU.S. and/or TowBoatU.S. or any other BoatU.S. trademark, as part of Applicant's corporate name. All trademark and/or service mark use under this subparagraph shall inure to the sole benefit of BoatU.S. At the expiration or termination of this Agreement, Applicant shall immediately surrender any such registration of an assumed name which includes BoatU.S. or TowBoatU.S. and cease all such use of the "TowBoatU.S. - location" name.

2001 TowBoatU.S.[®] License/Service Agreement

(c) Applicant may transfer this license Agreement in conjunction with the sale of all or a majority of Applicant's TowBoatU.S. business, following written approval of the new principals/owners by BoatU.S.; such approval shall not be unreasonably withheld. Individuals or entities not eligible for a new TowBoatU.S. license or in competition with BoatU.S. shall not be approved. Transfer of the TowBoatU.S. license without establishing BoatU.S. written approval terminates this Agreement as of the time of this transfer. This Agreement shall automatically transfer to the estate of the Applicant's principal owner upon his/her death. BoatU.S. shall cooperate with the estate or trustee of the principals of Applicants to assure the orderly transfer of Applicant's business to qualified individuals or entities upon the death or disability of Applicant.

(d) Applicant's principals shall not own or operate another Towing company affiliated with a national competing Towing membership program.

11. Miscellaneous: (a) This Application/Agreement represents the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous discussions, understandings and agreements with respect to such subject matter.

(b) Applicant shall indemnify and hold BoatU.S. and its directors, officers and employees harmless from and against any and all losses, damages, expenses, costs and liabilities (including without limitation reasonable attorneys' fees) of any nature arising out of or connected with Applicant's negligence or willful misconduct in conducting any operations under any BoatU.S. service mark.

(c) All notices required or permitted by this Agreement shall be deemed given when written notice is delivered to the other party at its address set forth on the Application.

(d) This Agreement may be modified or amended only by a written amendment signed by both parties.

(e) This Agreement shall be governed by the laws of the Commonwealth of Virginia, excluding the conflicts principles thereof.

12. Applicant: May not combine any trademarks or service marks owned by BoatU.S. with any other trademarks or service marks not owned by BoatU.S.; provided, Applicant may use its own independent service marks which may not exceed the size of the TowBoatU.S. signage, and may use decals not to exceed 8" X 10" signifying acceptance of Mastercard, Visa or American Express credit card services as payment for Applicant's towing services. Applicant recognizes that under this License, Applicant has certain opportunities and responsibilities to promote TowBoatU.S. services. Applicant agrees that during the term of this Agreement, it will use its best efforts to introduce, promote and provide TowBoatU.S. services to boaters. Applicant further agrees that during the term of this Agreement, Applicant, together with its employees, agents, representatives, and subcontractors, will take no actions which would undermine or compete with such promotion, such as, but not limited to, direct billing to or accepting payment from any national competing towing membership program, or the promotion of another boating association. Failure to comply with this provision will be considered by BoatU.S. to be a breach of this Agreement. Notwithstanding the foregoing, Applicant may, from time to time, based on emergency needs or special events, subcontract to a local tower affiliated with a national towing service to service BoatU.S. Members. Also, Applicant may, from time to time, based on emergency needs or special events, accept a subcontract from a local towing company of another national towing service to render aid to one of their members.

13. Co-op Advertising: To ensure the quality and consistency of the promotion of the services provided under BoatU.S. service marks, BoatU.S. will make available by reimbursement, up to \$1000 per year to Applicant for co-op advertising. All co-op promotion concepts must be submitted to BoatU.S. for review, edits and approval thirty (30) days prior to publication. BoatU.S. shall promptly reimburse tower for approved co-op advertising upon receipt of all necessary documentation. BoatU.S. will match each dollar spent by Applicant on such approved advertising up to \$1000. All co-op ads must identify Applicant as a licensee of the TowBoatU.S. service mark. Standard advertising concepts and layouts are available from BoatU.S.

14. Phone Numbers: No advertising shall combine TowBoatU.S. or BoatU.S. with any 800 number other than the BoatU.S. Emergency Dispatch number: 1-800-391-4869 or 1-800-391-4TOW.

15. TowBoatU.S. Protected Area: A Protected Area is an approximate radius of 10 miles from Applicant's approved port(s). As long as Service Levels are maintained, BoatU.S. will protect the 10-mile area.

(a) Protected Area means that BoatU.S. will not authorize other TowBoatU.S. and/or Listed towing companies to establish a port within Applicant's area, unless agreed upon in writing by both the Applicant and BoatU.S.

(b) Protected Area further means that any general TowBoatU.S. or BoatU.S. radio calls for assistance from a disabled boat within Applicant's Protected Area are the exclusive right of the Applicant, unless the boater has requested BoatU.S. Dispatch Service in which case it is subject to the Dispatch Protocol of Section I, paragraph 15(f).

(c) When Protected Areas overlap, any general TowBoatU.S. or BoatU.S. radio calls for assistance should be directed to the TowBoatU.S. company with an approved port closest to the boater's destination.

(d) Any direct calls to a specific Towing company are the exclusive right of that company, regardless of Protected Areas.

(e) Applicant must service a minimum of 90% of all BoatU.S. Members needing a tow in their Area. If service levels are not being met, BoatU.S. shall provide current information on service levels to applicant before any adverse action is taken (When more than one TowBoatU.S. company exists in the same area, a combined total of 90% must be met.) "Service" means either to provide the service directly, hand off the service request to another BoatU.S. Approved Tower with a better ETA or to hand off the tow to a non-Approved Tower with a better ETA than all other TowBoatU.S. or Listed towers. In the last instance, Applicant shall notify BoatU.S. Dispatch to flag the invoice for processing.

(f) Dispatch Protocol: BoatU.S. Dispatch has the intent and will make the best effort to observe the following dispatch protocol:

2001 TowBoatU.S.[®] License/Service Agreement

(i) for a disabled boat within the Applicant's 10-mile Protected Area, BoatU.S. Dispatch will first contact the Applicant's company, requiring an ETA of 60 minutes or less.

(ii) for a disabled boat within overlapping 10-mile Protected Areas, BoatU.S. Dispatch will first contact the TowBoatU.S. company with an approved port nearest the boater's destination, requiring an ETA of 60 minutes or less.

(iii) for a disabled boat outside of all 10-mile Protected Areas, BoatU.S. Dispatch will first contact a BoatU.S. approved company closest to boater's Destination.

(iv) for a disabled boat beyond a 60 minute ETA of all approved BoatU.S. towing companies, BoatU.S. will contact any available resource closest to boater's destination.

(g) **Availability:** Applicant must be available for towing service 7 days a week, 24 hours a day during the normal boating season for the local area. "Available" means that initial verbal contact is made within 5 minutes and a boat must be underway within 25 minutes of the initial contact. If verbal contact is not made within 5 minutes, or a response vessel cannot be underway within 25 minutes, or the total ETA is greater than 60 minutes, BoatU.S. Dispatch may seek another responder. If Applicant makes contact with Member and is unable to respond, Applicant agrees to contact BoatU.S. Dispatch immediately.

16. ETA's: Applicant agrees to give accurate, realistic ETAs. Intentionally giving a false ETA is a breach of this agreement. In the event of an unavoidable delay, Applicant agrees to communicate with the Member, or with BoatU.S. in the case of a Dispatch, that Applicant will fail to make the original ETA. The Member and/or BoatU.S. Dispatch may at their discretion choose to wait the additional time required or to cancel the request for assistance and to seek assistance from another company.

17. Service Issues: Applicant agrees to conduct all activities in a manner so as to present a quality visual and audible image, and seek to achieve the highest level of professionalism and good service to all boaters. Applicant agrees to co-operatively receive and attempt to resolve all complaints from BoatU.S. or its Members regarding Applicant's service, and to cooperate with and assist BoatU.S. in any inquiries involving Applicant's TowBoatU.S. operations. Prior to rendering service to Member, Applicant will make every reasonable effort to communicate whether the cost of the services requested are fully or partially covered under the Member's BoatU.S. On-The-Water Towing Service Agreement coverage. If the Member's coverage may be insufficient to cover the total of the requested service, Applicant will describe to the Member how the non-covered costs will be determined. If the service to be provided is other than a service which is covered under BoatU.S. On-The-Water Towing Service Agreement, Applicant will make every reasonable effort to inform the Member concerning the business arrangements upon which that service will be provided. Applicant agrees to apply the above principles to all boaters. Nothing contained herein shall be construed to create a third-party beneficiary obligation under this contract.

18. Litigation: Applicant will promptly notify BoatU.S. of all litigation or expected litigation by a third party which involves Applicant's activities under any part of this Agreement or in any litigation in which BoatU.S. or TowBoatU.S. is specifically named. Applicant agrees that BoatU.S. in its sole discretion shall direct the defense of any aspect of litigation directed at or impacting BoatU.S. or TowBoatU.S. trademarks. BoatU.S. will notify Applicant when litigation involving Applicant is brought. Applicant may retain counsel and direct such portions of any litigation which solely affect Applicant. BoatU.S. acknowledges Applicant's contractual obligations to its insurance carrier's rights to direct the defense and shall work cooperatively with Applicant's underwriters, taking no action to jeopardize Applicant's insurance coverage.

Section II

Term and Conditions regarding Towing Definitions, Rates and Billing

- 1. Towing vs. Salvage.** Applicant hereby agrees to use the following definitions in determining whether to invoice a job as "Towing/Ungrounding" or "Salvage." Applicant understands and agrees that Towing/Ungrounding is covered under the BoatU.S. Towing program and this Agreement. "Salvage" is not covered under the Towing Program and this Agreement. Whenever working for a BoatU.S. Member, Applicant will clearly identify salvage bills as such and will deliver them to the Member with instructions to deliver the salvage invoice to the owner's yacht insurance company.

For purposes of this Agreement and when performing salvage on a BoatU.S. Member's boat:

- "Towing/Ungrounding" shall include any operation not involving immediate danger to the boat or to a legally protected marine environment and requiring only one towing vessel with lines attached to the grounded boat to refloat it.

"Salvage" includes operations involving immediate peril to the grounded boat, multiple towing vessels or special salvage equipment (pumps, air bags, dredging equipment, cranes, etc.).

10322

2001 TowBoatU.S.® License/Service Agreement

Dock-to-dock tows. (a) Applicant agrees to quote in advance and to provide a discount of at least twenty-five percent (25%) of their hourly rate specified in this Agreement, or an hourly rate of ~~\$100~~ ^{DD \$100 125 CD} per hour, for any scheduled tow of a Member's disabled boat from a dock or mooring, and for ALL tows from a Member's home dock or mooring.

(b) BoatU.S. will provide 100% payment, up to the Member's per-incident towing limit, for a tow of a disabled boat from a transient dock. "Transient" is defined as a restaurant dock, fuel dock or other dock not currently available for the Member's use.

(c) Other tows from a regular slip or mooring, marina or residence with available dock space will be paid at 50% of the invoice or the Member's per incident towing limit, whichever is less.

3. In all cases, coverage applies to one tow per incident. An "incident" is defined as an event or series of events arising out of the same accident or breakdown

4. Applicant agrees that BoatU.S. and BoatU.S. Members will receive the Applicant's lowest available rates not to exceed the maximum rates specified in this Agreement. If Applicant decides to publish lower rates to the general public or to provide lower rates to a group of recreational boaters, Applicant agrees to automatically provide a similar reduction in rates charged to BoatU.S. and BoatU.S. Members. Towing charges for ungrounding a Member's vessel will not exceed the rates charged to any other boating group or association of boaters or the rate set forth in this Agreement. BoatU.S. acknowledges that from time to time Applicant must "forgive" parts or all of un-collectable bills, or must negotiate a lower rate with an individual boater. This is not a violation of this Agreement. Applicant agrees, however, that a pattern of negotiations of lower rates with non-BoatU.S. Members is contrary to the spirit of this Agreement and shall be grounds for a Section I, paragraph 8(c) action.

5. **Unlimited Towing Option.** Applicant and BoatU.S. agree that (a) when Members holding the "Unlimited Option" break down within Applicant's service area (defined as a minimum of 25 miles in any direction - or 50 coastal miles - and ~~25~~ ^{50 CD DD} miles offshore) and are towed within the same service area, the following cost-sharing formula will apply: BoatU.S. pays 100% of the invoice up to \$1000. BoatU.S. pays 50% of the invoice amount over \$1,000 and Applicant "forgives" the remaining 50% of the invoice amount over \$1000. (b) In all other cases, a \$1000 limit applies.

6. Tower will obtain and include the following on all invoices:

- a) Towing Company Name, Address and Phone Number; Captain's Name; and Tow Boat's Home Port Location;
- b) Boat Operator's Signature (except when weather or sea conditions render it unsafe to do so), Address, Phone Number and Date Signed;
- c) Boat Owner's Name, Address and Phone Number If Different From Operator;
- d) BoatU.S. Member Name, # and expiration date;
- e) Date of Tow and Date of Breakdown;
- f) Time Out, Time On Scene, Time Complete and Time In;
- g) Indicate service performed: i.e. Tow, Ungrounding, Jump start, Fuel delivery, Salvage, etc.;
- h) Nature of Problem;
- i) Sea and Weather Condition;
- j) Boat Information - Size, Type, etc.;
- k) Exact location of pickup and drop-off; including whether or not pickup was at a dock;
- l) Specific Charges, Surcharges, Discounted rate for dock-to-dock tows, breakdown date and Total (Itemize All Fees);
- m) Local Towing Club Member: Yes / No;
- n) How Much Paid by Owner, How Much Billed to BoatU.S. or "No Charge-Local Club Member."

7. Applicant will check Membership Card to assure active status. Applicant will provide complete, accurate data and information needed for all work being discussed, performed or invoiced.

8. Tower agrees to maintain awareness of services provided to Members under the terms of the BoatU.S. Member Towing Service Agreement, and to limit invoices submitted to BoatU.S. to these services provided under the Member Towing Service Agreement.
